Lilly Other Health Care Professional Registry
Payments Made: Q1-Q4 2013

Data updated on Monday, March 3, 2014

The Other Health Care Professional Registry reports direct and indirect payments by Lilly, as well as Lilly's portion of alliance partnership payments to health care professionals other than physicians serving as faculty members. When the "Entity Paid" is a company, hospital, or university, and there is a different name on the provider of service, it reflects an indirect payment which may or may not actually have been received in whole or in part by the listed service provider.
